#### Physics Lab –

##### Certificate

This is to certify that despite the limited resources and space available for conducting practical sessions in the Physics Department, all practical sessions for B.Sc. students have been successfully completed for the academic session 2023-2024. Adequate steps were taken to ensure that each student was provided with the necessary guidance and hands-on experience in alignment with the prescribed syllabus and course requirements.

I commend the students for their dedication and adaptability throughout the practical sessions.

## Celebration of World AIDS Day

Today on dated 04-12-2024, a special program was organized by the Red Ribbon Club in Jhandutta College on the occasion of World AIDS Day, which was presided over by the Principal of the college, Dr. Sanjay Kumar. On this occasion, poster making and slogan writing competitions were organized for the students, in which the students gave the message of awareness about HIV / AIDS through colorful posters. Also, by taking out an awareness rally, the students conveyed messages like "Prevention of HIV, Respect for Life" to the general public. In this program, the students were shown an educational movie on the subject of HIV / AIDS, through which important information was given about prevention of disease, myths and social stigma. According to Principal Professor Sanjay, such activities help in increasing awareness among the youth and making them responsible citizens. At the end of the program, Professor Archana, Coordinator of the Red Ribbon Club, emphasized the role of students in spreading awareness about HIV / AIDS and making the society sensitive towards it. All the teachers of the college were present in the program.

#### Action Taken Report on "Elimination of Vertical Transmission of HIV and syphilis organized by 'Red Ribbon Club' in Govt. GC Jhanudutta

On February 18, 2025, the Red Ribbon Club hosted an awareness programme on the elimination of vertical transmission of HIV and syphilis in Government College Jhandutta, district Bilaspur (HP). Approximately 103 pupils and 18 staff members took part in the event. The principal of Govt. College Jhandutta oversaw the program. In which Dr. Sapna Kumari(BMS) and Sh. Deep Kumar (Block Health Educator) were the Resource Persons, who informed the students about the prejudices surrounding HIV/AIDS. The main focus of the event was on Awareness, early intervention and prevention of the disease among the youth. They informed the students that prevention and awareness of Young people should be encouraged and frequently testing must be conducted to avoid contracting HIV and syphilis in the future by being aware of how these diseases can be passed from person to person or hereditary. Additionally, early intervention may result in tests to helping the health of the afflicted and others. Furthermore, openly talking about these topics might encourage people to get the treatment they need and also significantly eliminate the stigma attached to syphilis and HIV.
